Annual Notice to All Persons Holding Royalty Interests in TEXAS Oil and/or Gas Production

Section 91.504 (e), Texas Natural Resources Code, gives an owner of a royalty interest in oil or gas produced in Texas the right to request from a payor information about itemized deductions, the heating value of the gas, and the Railroad Commission of Texas identification number for the lease, property, or well that may not have been provided to the royalty interest owner. The request must be in writing and must be made by certified mail. A payor must respond to a request regarding itemized deductions, the heating value of the gas, or the Railroad Commission of Texas identification number by certified mail not later than the 60th day after the date the request is received. Additional information regarding production and related information may be obtained by contacting the Railroad Commission of Texas' Office of Public Assistance or accessing the Commission's website (listed below).
